66.

very episode this
ogate sites.

Ji Ho-Young and Cha Jin-Sok's boyfriends are having an affair ?!
There is no way !

Don't shout at me ! Yuri said she saw them !

I know all dirty gossips come from you girls and Yuri.

Do you think we haven't noticed ?

What the hell ?!
I am just telling you what I know !

Grab

We were supposed to meet together but I couldn't make it.

Don't misunderstand Ha-Young.

What ...

Don't fight.

Excuse me now...

Oh, Cha Jin-Suk power...

Surprised me

I don't think I've seen her freak out before.

Strange . . .
was there a moment they could establish something?

Come to think of it.
At that night,
I took Hye-Ri t her room,

and found them together at the student council.

But why didnt she tell me that she was having a contact with Shin Ye-Min ...

Does this mean she is okay with him ?

Those two ...

... I don't like that one bit.

But if this isn't about that ...

스윽

!!
벌컥

헤아
아직 수업 안끝났는데
탈의실엔 왜 일?

아.. 좀 고단해
있어서...

흠~ 그럼
그럼 난 먼저
나간다~

저기,잠깐!

네가 어제 나영이랑
신ㅎ...아니,
아니 내 남친이랑 있는 거
봤단 얘기 들었어.

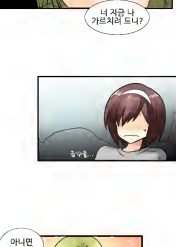
뭐야 현예리가
얘기했어?
맨 완할 것 처럼
굴더니만~

헤리?
난 네 친구도
한테서 들었는데...

아, 그래?
누가 말했건
난 쓰디로 얘기
했을 뿐이야.

그.. 그건
오해야.
셋이 보기로 한 건데
네가 못 나간거야.

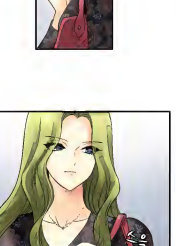
뭐, 아니면 뭣어.
난 또 두 사람이
바람피는데
네가 보르면 어쩌나
산경 쓰였을뿐



그래도 사실확인도
안 된 일을
말 하고 다니는건
아니라고 생각 해.

너 지금 나
가르치려 드니?

참아ㄹ...



아니면
마는기지~
오해풀었어, 됐지?

자.. 잠깐만.
아~ 됐다고 알았다고,
불일 꾀!

은우

(Changing room)

What, the class isn't over yet. Why are you here ?

I ... forgot something ...

Hmm ~, okay. See you later.

Wait !

I heard you saw Na-Young and Shin Te ..., no,

my boyfriend together yesterday.

Did Han Hye-Ri tell you ?

She acted as if she wasn't going to tell you.

Hye-Ri ?

I heard this from your friends ...

Ah, so ?

I simply told them what I saw.

It's ... a misunderstanding.

We were supposed to meet together but I couldn't make it.

Well, fine.

I was just concerned that they might be having an affair behind your back. That's all.

Even so, telling others something you don't know the full story of ...

I think that's wrong.

Are you trying to lecture me ?

If not, fine ~

We all good, right ?

W, wait ...

I heard you; I got it. Do your thing !

Want a drink ?

Carbonated drink?
Or coffee ?

No... I am fine.

What does she want
to talk about ...

You seem to be doing
fine lately.

Huh ?

I think you are back
to your old self.

Since last year,
you seemed dark.

But lately you are back
to your cute self.

W, what are you
saying ...

Pwah, how come is
your reaction exactly
the same with
Cha Jin-Suk's ?

Are you becoming
like your roommate ?

How is she lately ?
Still bothering you ?

Bothering me ... ?

You kicked her out
even, remember ?
Can she stay there
now ?

I ... am not going to
do that anymore ...

Say, if ...

how will you feel
if Cha Jin-Suk
disappears ?
